

## Legends of Kyrgyzstan. Yeti

On May 19th Kyrgyz Express Post (KEP) is issuing its first definitive stamps - "Legends of Kyrgyzstan. Yeti". For the first time, KEP stamps are printed using self-adhesive paper and, at the same time, a part of the print run is issued in special booklets.

This series is intended to attract the attention of as many people from the Kyrgyz Republic, and from other countries, as possible, to compliment the great touristic potential of our country. It is also dedicated to the Yeti - a peculiar character, well known around the world.
