Apollo XI: 50th Anniversary

On July 20, 2019 the State Committee of Information Technology and Communications of the Kyrgyz Republic puts into circulation a Kyrgyz Express Post postage stamp: “Apollo XI: 50th Anniversary”.

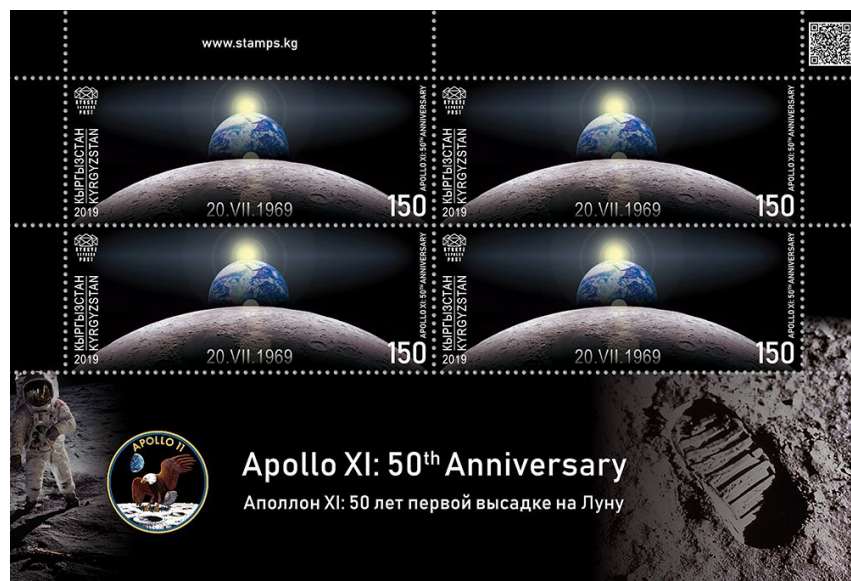

50 years ago, the outstanding mission of the U.S. with manned spacecraft, Apollo XI, was successfully completed. On July 20, 1969, crew commander Neil Armstrong and pilot Buzz Aldrin landed the lunar module of the spacecraft and for the first time in human history a man walked on the Moon. The new KEP postage stamp is dedicated to the 50th anniversary of this truly epochal event.

For this series, KEP also issues postcard, which is used to realize a maximum card.
